

# BRO-WP-A

## Brono - Adjustable Wallpack Series

The Brono wall pack series is a contemporary, commercial-grade area luminaire. The adjustable LED wall pack light allows you to adjust the head of the fixture up to almost 90 degrees. Typical applications include pedestrian walkways, building entrances, multi-use facilities, industrial facilities, perimeter parking areas, storage facilities, institutions, schools, and loading docks

### Applications:

- Exterior building
- Tunnel
- Walkway
- Wall
- Entryway

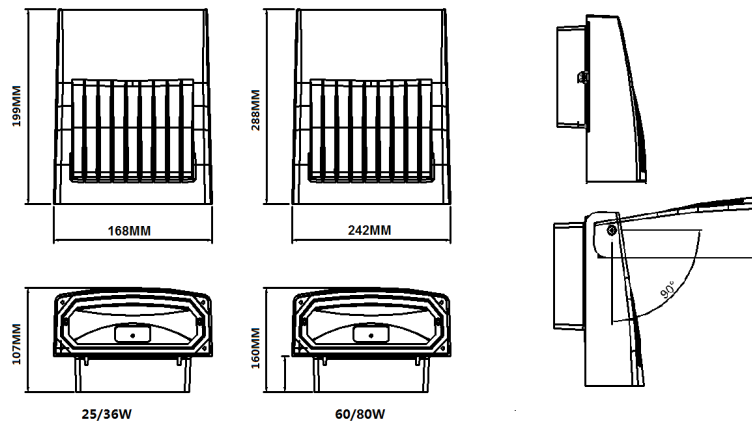

# BRONO Series

# BRONO Series

## Installation

1. Disassemble the power supply box, drill 5 holes in the base area, support 3 1/4" and 4" junction box.
2. Mount the base of the power supply box on the wall and finish wiring (L for live, G/E for ground, N for neutral).
3. Close the power supply box and fix power supply box with screw.  
Please use angle adjustment screw to adjust the beam.
